The 4th JSGE International Topic Conference

Time & Date: 14:20~16:50, Friday, April 21, 2017
Place: Room 6 (3F, Grace Room, Keio Plaza Hotel)
Main Theme: Microbiota in Gastrointestinal and liver diseases

Opening Remarks
Yoshikazu Kinoshita (Shimane University School of Medicine, Japan)

Moderators: Nobuhiro Nakamoto (Division of Gastroenterology, Keio University School of Medicine, Japan)
Bernd Schnabl (Department of Medicine, University of California San Diego, USA)

IT-1 The role of gut–microbiota and metabolome in nonalcoholic fatty liver disease.
Takaomi Kessoku (Department of Gastroenterology and Hepatology, Yokohama City University Graduate School of Medicine, Japan)

IT-2 Gut microbiota promotes obesity–associated liver cancer development: a collaborative role of lipoteichoic acid and deoxycholic acid
Naoko Ohtani (Department of Physiology, Osaka City University Graduate School of Medicine, Japan)

IT-3 Host–Microbiota Interactions in Liver Diseases
Bernd Schnabl (Department of Medicine, University of California San Diego, USA)

Moderators: Shuji Ogino (Division of MPE Molecular Pathological Epidemiology, Brigham and Women’s Hospital, Dana–Farber Cancer Institute, Harvard Medical School, and Harvard T.H. Chan School of Public Health, USA)
Taro Osada (Department of Gastroenterology, Juntendo University School of Medicine, Japan)

IT-4 Emerging Microbial–, Immuno–, and Pharmaco–MPE (Molecular Pathological Epidemiology) for Precision Medicine
Shuji Ogino (Division of MPE Molecular Pathological Epidemiology, Brigham and Women’s Hospital, Dana–Farber Cancer Institute, Harvard Medical School, and Harvard T.H. Chan School of Public Health, USA)

IT-5 Fecal transplantation for patients with ulcerative colitis: microbial shifts and signatures of long–term remission after treatment
Noortje G Rossen (Department of Gastroenterology and Hepatology, Academic Medical Center, the Netherlands)

IT-6 Comprehensive bacteriotherapy: combination with fecal microbial transplantation and antibiotics for ulcerative colitis
Dai Ishikawa (Department of Gastroenterology, Juntendo University School of Medicine, Japan)

Closing Remarks
Tooru Shimosegawa (Division of Gastroenterology, Tohoku University Graduate School of Medicine, Japan)
